Please type your responses in the blue boxes below and save the document.

In advance of each round, fill out a form with the names of your students and the roles they will play in the competition, one for your team's prosecution/plaintiff side and one for your defense side. If in person, bring the forms with you to court and work with your opponents to fill in their information in a timely manner prior to each trial. If virtual, email the form to your opponent's teacher/coach.
